

Stage 1 – Initial Contact

At this stage the aim is to try and sort out the problem in an informal manner. We hope to be able to resolve the majority of complaints at this stage.

A complaint can be made to any member of the Autism Bedfordshire team, but ideally, the complaint should be made through the member of staff responsible for the activity, e.g. Senior Team Leader, Team Leader(s) or Development Officers. Complaints can be made either verbally or in writing.

All complaints will be recorded and passed to the service manager responsible for maintaining the customer feedback file.

If the complaint is serious, then Stage 1 can be bypassed and the complaint can be dealt with at Stage 2.

Stage 2 – Formal Complaints

If you are not satisfied with the response at stage 1, then you can make a formal complaint to the Senior Manager of Autism Bedfordshire. You will need to include the following details:

The date the incident(s) occurred;
The names of the people involved;
The aspect of the incident that you are unhappy about;
The nature of the complaint in general.

We will acknowledge receipt of your complaint as soon as possible. Your complaint will then be investigated, and you will receive a written response within 20 working days, detailing the outcome of the investigation and action, if any, to be taken. During this investigation you may be contacted directly to discuss the matter in more detail.

If we have any reason to delay the investigation, we will keep you informed as to the reasons for the delay. Staff and volunteers will be given the right to reply to any complaint during this stage of its investigation

The Chair of the Board of Trustees will be informed of the matter.

Stage 3 – Internal Independent Review

If you are unhappy with the Stage 2 response, you can ask for the complaint to be referred directly to the Chair or Vice Chair of the Board of Trustees for further investigation. You may also speak with OFSTED directly if you have any causes for concern that are not being addressed by Autism Bedfordshire.

At this stage the Board will be required to meet to discuss the incident and will be required to reply within a further 20 working days, outlining how the complaint has been dealt with and the outcome.

We will maintain full records of the complaint throughout the process.

OFSTED can be contacted at Piccadilly Gate, Store Street, Manchester, M1 2WD.
