**Are you looking for a new opportunity where you can really make a difference?**

**If so, a new exciting and challenging opportunity has arisen at the centre of our brand-new support at home service.**

In 2023 we will be opening our brand-new support at home service; the successful candidate will be recruiting, training, and implementing this new structure and service with the support of our Adult Service Director. Together with a small bespoke team, you will manage our support at home service, this post will be based central office/properties in Bedford alongside over seeing support workers who are delivering services in people's homes.

### **Who are we?**

Autism Bedfordshire is an independent charity, dedicated to improving the lives of autistic people and their families by providing impactful services across the county and beyond. For 30 years Autism Bedfordshire's services have been breaking down the barriers to social participation for autistic people and their families by providing places where they can go and feel comfortable, accepted and not judged by society. With the encouragement and support of specialist trained staff we help autistic people build their confidence, self-esteem, and social skills through taking part in social activities and mixing with other people. Furthermore, we help them to develop practical skills and independence which will improve their prospects in life and help them be part of the community. Our aspirations are for them to have the same opportunities as people who are not on the spectrum, so that they can enjoy fulfilled and rewarding lives.

**We are seeking someone who is qualified by experience, with proven leadership capability, a friendly and outgoing personality, and great interpersonal skills.**

- You should have extensive experience of leading others in social care in a homecare service

- You should have experience of supporting staff out in the community and making sure that autistic adults across Bedfordshire receive the best support and are empowered to live a life of independence and choice
- You should be skilled at providing direct supervision, coaching, and mentoring to support staff and have the ability to Identify staff training needs
- You should be able to establish and maintain effective communication with families and relevant others
- You should have a robust knowledge in all safeguarding matters and be confident to escalate to the Local Authority safeguarding team in a timely, giving clear and concise information and ensuring any follow up actions are implemented where appropriate.
- Ensure that autistic people are supported in a respectful manor where their choices are valued and supported.
- Ensure that the day-to-day physical and emotional health of those living within the residential service is met within a caring and safe environment.
- Ensure that there are good communication channels of information between all those within the service, other Autism Bedfordshire services and other relevant service providers.
- Ensure relevant parties are regularly updated through regular, planned reviews and reports
- Working with individuals who can display challenging behaviours hurting self or others, running away, throwing things, swearing, shouting.
- A good level of productivity and solution-focused thinking is also essential.
- Undertake such other duties as are required.

**Sounds like you? Then you would be a highly valuable member of the Autism Bedfordshire family.**
